

## **Nortex RPC HIV/AIDS Program**

Ryan White Services are available through Nortex for Texas residents diagnosed with HIV/AIDS. The program provides outpatient HIV care, treatment, and support services. A major component of the services is the availability of case management services designed to include assessing current needs, coordination of services and referrals to local resources. Services for which you may also be eligible include:

- HIV related medications through the AIDS Drug Assistance Program (ADAP)
- AIDS Pharmaceutical Assistance
- Outpatient Ambulatory Care
- Emergency Financial Assistance
- Oral Health services
- Mental Health services
- Medical Case Management, including medication adherence training/education
- Assistance with payment of health insurance premiums, co-pays and deductibles
- Substance Abuse Treatment services
- Medical Transportation Assistance
- Nutritional Assistance/Food Pantry
- Other support services

Nortex provides services in the following counties: Archer, Baylor, Clay, Cottle, Foard, Hardeman, Jack, Montague, Wichita, Wilbarger, and Young. area:
